

## pVault Compatible Scanner List

In general, pVault and related software can directly connect to and control any document scanner, connected to a PC with pVault installed, that has ISIS compatible drivers. TWAIN driver support is also supported, but on a limited scale. The scanners listed below are scanners that can be directly controlled by pVault. Before purchasing your scanner, please contact Paperless Environments support to ensure that you are purchasing the right scanner and the right accessories for your needs. If you currently have a scanner not shown on the list, contact Paperless Environments for compatibility.

Scanner	Interface	Pages/Minute	Doc Feeder	B&W Color	Simplex Duplex	Internet Price *
Bell & Howell Sidekick 1200	USB/SCSI	23	120	C	D	850
